

Canam can offer a complete range of Cementing Aids for your downhole cementing operations.

### Series 200 Latch-on Reciprocating Cable Scratcher

The Series 200 Latch-on Reciprocating Cable Scratcher is designed to provide superior mud cake removal when casing reciprocation is implemented during pumping and cementing operations.

### Series 230 Latch-on Stop Collar

The Series 230 Latch-on Stop Collar uses a bolt lock to friction lock the collar to the casing. Application of standard torque will result in holding forces up to 10 times the API allowable starting for bow spring centralizers.

### Series 240 Liner Stop Collar

The Series 240 Liner Stop Collar is a slip-on stop collar with integral set screws designed for medium duty applications. An internal mounted 240 stop collar is ideal for use with the Series 130 Close Tolerance Liner X-Bow centralizer.

### Series 250 Heavy Duty Liner Stop Collar

The Series 250 Heavy Duty Liner Stop Collar is a one piece machined collar with oversize integral set screws used to attach the collar to the casing. Holding forces in excess of 25 times API allowable centralizer starting force can be obtained with the 250 Stop Collar.

### Series 360 Marker Collar

The Series 360 Marker Collar is used as a marker joint on production casing. The collar will provide a reference point for the logging tools to orientate its position in the well

### Thread Lok 945

The Series 945 Thread Lok kit provides a complete two-component epoxy system that includes base resin, a catalyst and an applicator. It is designed for use on all threaded joints and is especially applicable on drill casings and other pipe where the effective prevention and avoidance of joint-loosening and casing backing-off is required.

Advantages of the Series 945 Thread Lok:

- Complete Kit with instructions
- Easy application
- Adheres to Any Clean Surface
- Prevents Back-off
- Resistant to Acids, Solvents, & Water
- Non-Corrosive
- Non-Conductive
- Economical

Color: Gray  
Pot Life: 75 minutes (avg.)

Casing O.D. In Inches	Approx. Number of Joints each 1/2 lb Thread Lok kit will lock
4 1/2	10
5 1/2	5
6 1/2 or 7	4
7 1/4 or 8 1/4 or 9 1/4	3
10 1/4 or 11 1/4 or 13 1/4	2
16 or 20	1

#### Thread Lok 945 Packaging Information

Item #	Unit Size	Quantity	Net Wt.	Ship Wt.
900A-22	8oz Kit	12/case	6 lbs	9 lbs
900B-22	16oz Kit	6/case	6 lbs	9 lbs

Suite 245, 6025 - 12th Street S.E., Calgary, Alberta, Canada T2H 2K1
